Message to UK Faculty:

Thank you for taking the time to review this student's request to allow her/him to receive Honors credit for your course. An Honors College Course Agreement requires careful planning between student and professor, collaboration throughout the semester as needed, and a commitment from both parties to follow through with the Honors credit process. For faculty who have questions about this process, please contact the student's Honors advisor or the Honors Director of Academic Affairs, Nicole Martin (nicolemartin@uky.edu). We appreciate your willingness to assist Honors students in earning Honors credit for your course, and we hope that your participation in this process is rewarding for both you and the student.
